**Below are some of 2007 and 2008's testimonials. I hope I can add your message to my book of memories as well.....Christina**

Dear Christina,

I could not be happier. I would recommend you and your service to anyone. As you may recall when you first introduced yourself to me, I was working with another centerpiece company who were making the centerpieces for my wedding reception. I can still remember that first meeting and how friendly you were. I greatly appreciated you offering your card. I immediately had to check out the kind of work you do on your website. I remember being pleasantly surprised at how professional your website is. Also, all the photos that you have of previous events you've worked do great justice showing your skill and dedication. I remember you being understanding of my situation when I decided to switch and go with you to do my centerpieces. You allowed me to get things worked out with them before I had to make my commitment with you. That was greatly appreciated. From our first phone conversation, I felt like I was talking to a friend. Just as all brides want their wedding to be beautiful, I could tell that you wanted that for me too. You presented me with a variety of centerpieces ideas and options.....You were so organized, that I felt that part of the wedding planning, I hardly had to worry about. A bride is doing a hundred things daily leading up to her wedding, when working with you, I felt a load was lifted knowing you'd have everything in place, and you'd take the initiative to call me if there was something to discuss.....And, when it was as said and done, I could not be happier. Thanks to you the centerpieces looked great, and many people commented on them on my wedding day and still do two months later. Thanks to you the pictures of the reception all look gorgeous. I originally was not going to have candles on the tables. You suggested them, and they made the reception look so beautiful and romantic. Let's just say, the candles helped everyone get into the wedding mood. Also, our party guests loved the boxes filled with candy. Your idea to have each table take on a color was brilliant. It made the reception hall absolutely light up with color. It went perfect with my wedding theme.....I thank you for

pushing for us to be able to use those little fake diamonds on the table, they looked really neat. And, you did an excellent clean-up job, you were on time, even early to set up and your crew cleaned up in a timely manner.....I said this earlier and I truly mean it, when I was working with you, I felt that I had a new friend.....Thank you for all your help. I will not think twice about recommending you to other brides or people who may need your services.

Thank you for everything,

Allison

P.S. pics of your work are attached.

Dear Christina,

We want to thank you again for everything you did to make our wedding day as wonderful as it was. You helped make our ceremony go so smoothly, just as we hoped. It was comforting just knowing you were there to watch over all the details so we had nothing to worry about except repeating our vows correctly and enjoying every minute of it.

You also gave our reception the WOW factor we wanted when everyone walked into the hall. It was truly breathtaking. We received so many compliments and we had to agree with every one of them. Please accept the enclosed check as a thank you for all your extra hard work.

Sincerely,

Sue and Ted

Christina,

Thank you again for making our event so beautiful. I hope you are doing well.

I wanted to ask you if you could email me some of the pictures you took of the decorations. With all the excitement, none of us took any pictures outside! We would love to have some pictures to remember.

Thanks again,

Rachel

Dear Christina,

Thank you for decorating The Dearborn Inn for our wedding day. It was so amazing how you produced such a sophisticated contemporary setting in the “Colonial American” room. And we really appreciated how you stepped in to help the hotel staff when another vendor really failed us.

Thank you for creating some beautiful memories for us.

Dear Christina,

We just got back from our honeymoon the other day and our video and our video was complete. We watched it last night and I was so excited to see it b/c I didn't get a good look at everything you did b/c the day was so crazy. I was crying, the room was AMAZING!!! Everyone kept commenting on how gorgeous everything was and it was so cool seeing it on video. I can't wait to get the pictures band and I'll have to give you some b/c it's definitely something you should brag about. You made my wedding so special and I can't thank you enough. No worries about the deposit, please keep it b/c there were so many extra touches and all the hard work and extra help you had to get. I love the SS Jungwirth paddle and the head table was so beautiful, more beautiful than I imagined, everything was!!!.....When I get the pictures, I'll bring the videos too and you can see it to see the room.

Thanks again and we'll talk soon.

Dear Christina,

I know this is a little late, but I wanted you to know that you are AWESOME!!! We had soooooo much fun the day of the wedding, and your decorations were extremely beautiful. Thank you very much for all your hard work (Al too☺) and your special touches did not go unnoticed. Everyone mentioned how beautiful the decorations were, and for all the craziness surrounding the arches, they were one of my favorite things! So, thanks for putting up with the couple of people who were being nuts about it, they didn't know what they were talking about. I am going to email you some pictures soon, you may be able to use some of them for your client book. A couple of the guests took some good pictures and we just received the proofs from the photographer.....

.....  
Enclosed, in the box is a gift card as a thank you for your wonderful talents.....and also because we like you☺ I hope that you can find time in your busy schedules to go out for a relaxing evening.....Christina, I now understand your fascination with wedding planning, I had lots of fun, but it's exhausting. I am glad I

got to help make the plans, but I am also glad that you were there to take the pressure of me and handle all the decorating details. You are fun to work with, and are very good at your job. We feel fortunate to have you as a new friend😊

Thanks again, Christina, give Samantha a big hug from us and please keep in touch.

Your friends,

Mom and Amanda
